Exhibiting at a virtual STEM Women Event

- » Populate your stall, show company information and video content.
- » Students visiting your stall can initiate chats. You choose if it is a web or video chat.
- » Employers can initiate chats. Search features allow you to filter by course.
- » Option to deliver talks, post jobs, list live roles and receive applications.

EXAMPLE STALL

Which virtual package is right for us?

Basic package

Populate your virtual stall with content and have 3 virtual representatives who will chat live to attendees 1-1 via your stall. Your reps can also search our attendees and reach out, perfect for targeted sourcing. You can list 1 job listing on the event job board with this package.

Data package

Upgrade to a 'Data' package to receive the academic and contact information for everyone who signed up for the event and consented to having their information shared. On this package you can have 3 virtual reps and list 5 jobs on the event job board.

Speaker, Speaker with Panel and Sponsor packages

Our 'Speaker' package allows exhibitors to deliver a 10-minute insight talk and introduce their company. There is also an option to have a representative in a 30-minute panel discussion, and the event sponsor can deliver a welcome address. You're welcome to bring up to 5 reps with these packages. You can also list up to 5 job roles with the 'Speaker' and 'Speaker with Panel' packages and up to 10 with the 'Sponsor' package.
