AMSTERDAM IN-PERSON STEM GRADUATE CAREERS EVENT

HÔTEL MÖVENPICK AMSTERDAM CITY CENTRE

Tuesday 3rd March 2026 (1pm - 4pm)

250 ANTICIPATED ATTENDEES

In Birmingham we will be running an apprenticeship careers event in the morning, followed by a graduate careers event in the afternoon.

At the apprentice event employers will meet school and college students in Years 12 & 13 who are considering STEM related careers.

At our graduate event employers will meet university students considering internship, placement & graduate roles. Employers are welcome to attend one event on this day, or both!

RADISSON BLU HOTEL

Thursday 25th June 2026 (1pm - 4pm)

250 ANTICIPATED ATTENDEES

OUR STEM WOMEN COMMUNITIES: SCHOOL LEAVERS & UNIVERSITY STUDENTS

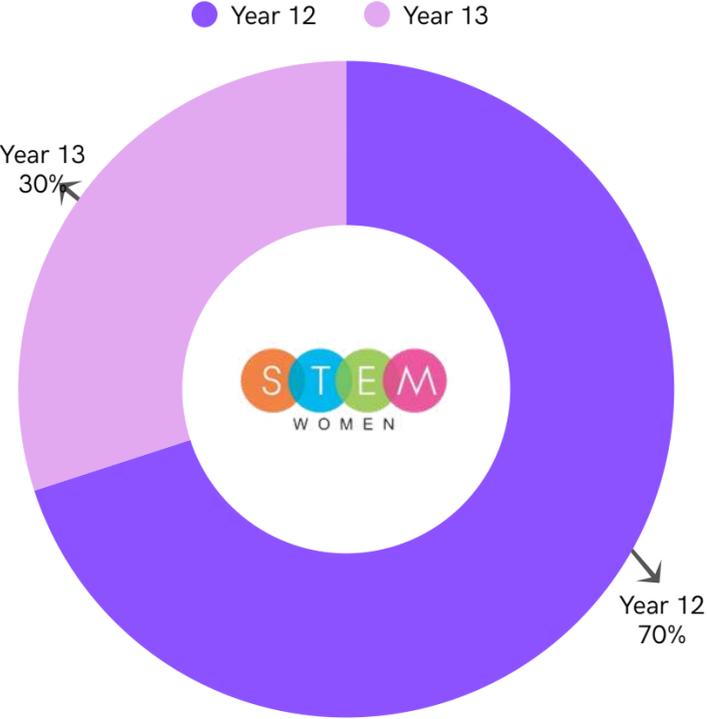

APPRENTICESHIP LEVEL EVENTS

Our Apprenticeship Events are aimed at attendees who:

- Are Year 12 & 13 students (UK) or Senior Cycle students (Ireland) at school or college who are interested in STEM related careers.

We ran two successful Manchester Apprenticeship Careers Events in 2024 and 2025. Our 2025 Manchester Apprenticeship event was attended by 170 female school students (Year 12 & Year 13). Attendees spoke to company reps at the exhibitor stalls & watched employer talks in the theatre. Our 2026 events will follow the same format, and employers can choose from various exhibitor packages. Employers will promote all levels of Apprenticeships, from entry level to higher & degree.

Attendees at our 2025 Apprenticeship Event

“The students were absolutely buzzing today about it all and had nothing but positive feedback. Genuinely one of the best networking events I’ve taken students to in my 15 years of teaching. So thank you again so so much, I look forward to attending future events!”
 – Teacher at Didsbury High School about our Manchester Apprenticeship Careers Event 2024

GRADUATE LEVEL EVENTS

Our UK & Ireland Graduate Events are aimed at attendees who:

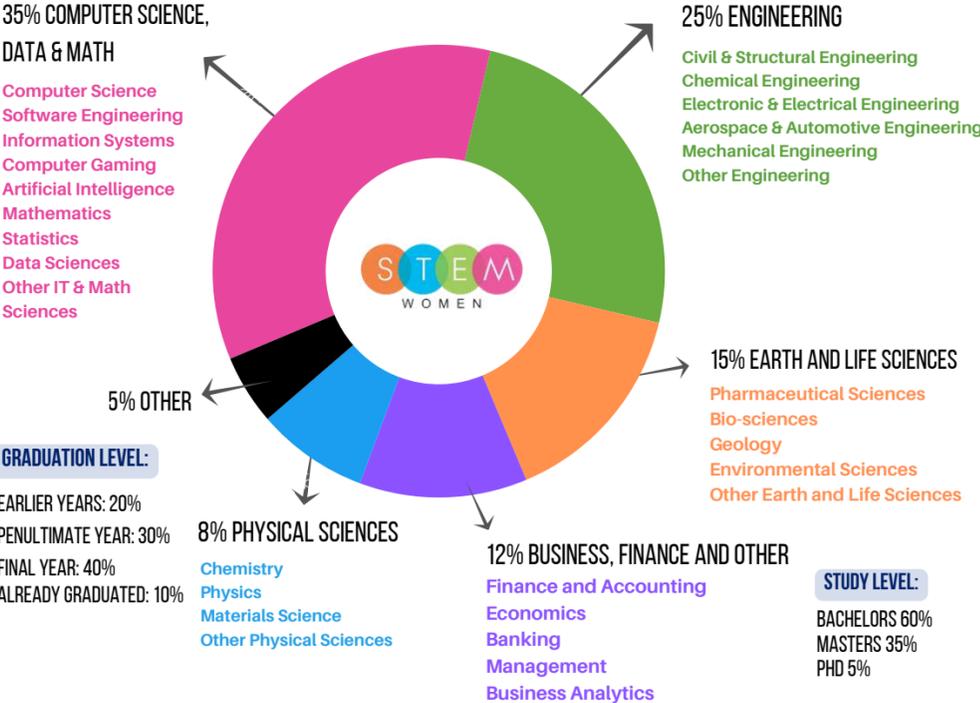

- Are studying a STEM (Science, Technology, Engineering or Mathematics) degree at a university in the UK or Ireland.
- Are eligible to work (ideally UK / Ireland nationals or Permanent Residents).

Our Amsterdam Graduate Events are aimed at attendees who:

- Are fluent in Dutch and eligible to work in the Netherlands.
- Are studying STEM (Science, Technology, Engineering or Mathematics) degree at a university in Amsterdam, or a city with a direct train connection.

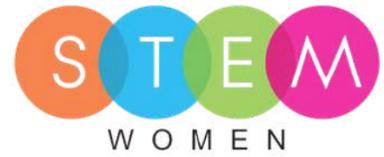

We’ve ran 130+ events since 2018 mostly at graduate level. Employers at our graduate events will meet with hundreds of women studying STEM degrees via their stalls. At some of our London events there are also opportunities for employers to deliver talks.

Graduate Events – expected university students by course

“You’re not going to get this kind of impact within the space of 4 hours anywhere else.”
 – Anna Saproata at Cirrus Logic

EXHIBITING AT A STEM WOMEN GRADUATE CAREERS EVENT

- Exhibitors have a table and chairs and can display promotional materials.
- Bring a banner to fit in a 3 metre wide space.
- Buffet lunch provided for all exhibitors.
- University students & recent grads visit the stands during the afternoon.

EXAMPLE STAND

Which exhibitor package is right for us?

Bronze Exhibitor Package

You can bring up to 3 reps on a Bronze Package, giving you a great opportunity to meet all the relevant attendees in person.

Silver Exhibitor Package

All the benefits of the Bronze package. Upgrade to receive the academic and contact information for everyone who signed up for the event and consented to having their information shared. You can also bring up to 4 reps, and you will be included in our post event email which can include a link to your desired webpage.

Gold Exhibitor Package

All the benefits of a Silver package. In addition to this you can bring 5 reps on the day and have an enhanced company bio in our programme. Companies on a Gold package will also be allocated a prominent stand position within the venue.

Speaker Package

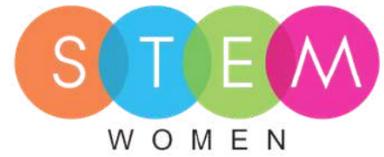

Available at our London Graduate Events only. All the benefits of a Gold package. Our Speaker Package allows exhibitors to deliver a 10-minute insight talk on stage and introduce their company. A great way to promote your organisation and increase traffic to your stand.

Headline Sponsor Exhibitor Package (only ONE package sold per event)

Join us as the event's *only* Headline Sponsor! Along with all the benefits of the Speaker or Gold package, you will be listed as Headline Sponsor on all branding on the event day and feature in our post event article which is published on our website. You can bring 6 reps on the day to network with attendees.

Some of our fantastic past exhibitors:

"It was great to be part of the event, so much energy in the room... Fantastic opportunity to meet so many talented female students and graduates. We look forward to participating in future events!"

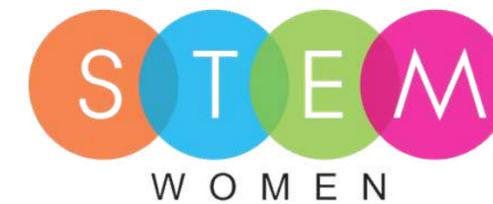

Sally Powel - Group Head of HR & Inclusion, Global Operations, BAT

"The best event we've experienced all year! (We've been to a lot). Amazing work. Well done!"

Dale Taggart - Senior Talent Acquisition Advisor, GTR
