## SYDNEY IN-PERSON STEM GRADUATE CAREERS EVENT

TUESDAY 4<sup>TH</sup> AUGUST 2026

SWISSÔTEL SYDNEY

Join us at our Sydney event this winter! Hosted at the Swissôtel, this will be our sixth graduate careers event hosted in Sydney.

Employers can expect to meet 400 talented attendees at this event. Attendees will be women studying STEM (science, tech, engineering & math) degrees at universities in and around Sydney.

## MELBOURNE IN-PERSON STEM GRADUATE CAREERS EVENT

THURSDAY 6<sup>TH</sup> AUGUST 2026

EVOQE EVENTS

Join us at our Melbourne event this winter! Our sixth Melbourne event will take place at the Evoqe Events venue.

Employers can expect to meet 400 women studying STEM (science, tech, engineering & math) degrees at Melbourne universities. Perfect to promote your internships, placements, and graduate roles.

**SYDNEY - 452 ATTENDEES AND 25 EXHIBITORS**

**MELBOURNE - 490 ATTENDEES AND 26 EXHIBITORS**

**ADELAIDE - 157 ATTENDEES AND 10 EXHIBITORS**

**CANBERRA - 140 ATTENDEES AND 7 EXHIBITORS**

**“STEM Women put us in contact with so many potential candidates. There were such a diverse range of women who were so inquisitive. It was great talking to them all.”**

**- Michael Alizzi Training and Development Coordinator (CMC)  
Australia 2026 Roadshow Brisbane Event**

### PREVIOUS EXHIBITORS AT OUR STEM WOMEN AUSTRALIA EVENTS:

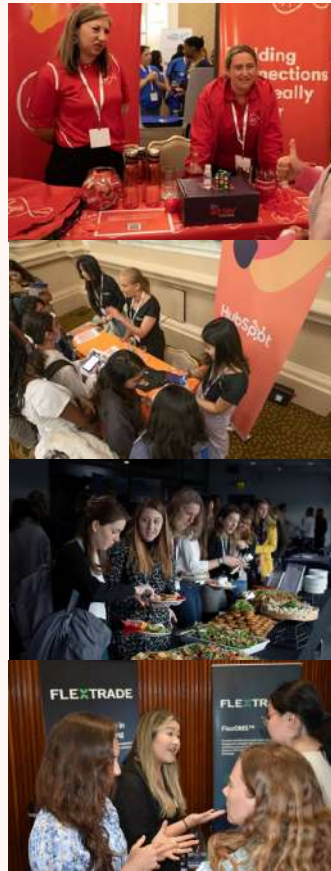

Since 2018, STEM Women has held **140+** inspiring events for women studying STEM subjects to meet graduate employers. Our specialist sourcing allows employers to promote their roles to incredible talent in cities across the globe.

We have held **22 in-person events** across Adelaide, Brisbane, Canberra, Perth, Sydney & Melbourne since 2022. We've also ran **5 virtual events** covering all of Australia.

We are running another **two events in winter 2026**. They will take place in **Sydney & Melbourne**.

# Exhibiting at an in-person STEM Women Event

- Exhibitors have a table, chairs, and can display promotional materials.
- Bring a banner to fit in a 3 metre wide space.
- Buffet lunch provided for all exhibitors.
- Students visit the stands during the afternoon.

## EXAMPLE STAND

## Which exhibitor package is right for us?

### Bronze Exhibitor Package

You can bring up to 3 reps on a Bronze Package giving you a great opportunity to meet all the relevant attendees in person.

### Silver Exhibitor Package

Upgrade to receive the academic and contact information for everyone who signed up for the event and consented to having their information shared. You can also bring up to 4 reps, and you will be included in our post event email which can include a link to your desired webpage.

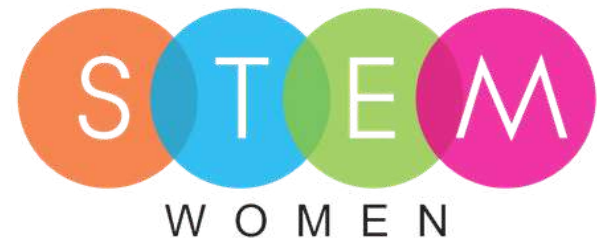

### Gold Exhibitor Package

All the benefits of a Silver package. In addition to this you can bring 5 reps on the day, have an enhanced company bio in our programme, and feature in our STEM Women newsletter which will be sent to over 12,000 students across Australia. Companies on a Gold package will also be allocated a prominent stand position within the venue.

### Headline Sponsor Exhibitor Package (1 per event)

Join us as the event's *only* headline sponsor! Along with all the benefits of the gold package, you will be listed as headline sponsor on all branding on the event day and feature in our post event article which is published on our website. You can bring 6 reps on the day to network with attendees.

## Previous exhibitor feedback

"Exhibiting at a STEM Women careers fair is a fantastic opportunity for employers interested in raising their brand awareness to prospective high quality talent."

Jennifer Morris - Talent Acquisition Specialist, Cochlear Sydney March 2024

"Terrific event, great turnout. We are very excited about the future of our Graduate program after attending the event."

Darryn Smith - Talent Acquisition Manager AN2, Dulux Group Melbourne March 2024

"The STEM Women event is a well run event. The team are easy to deal with before, during and after the event. The candidates/attendees are well prepared."

Justin McAuliffe - Senior Recruiting Advisor, INPEX, Perth March 2025

"The STEM Women career fair is a fantastic opportunity to connect talented women with leading companies in science, technology, engineering, and mathematics fields; fostering diversity and career growth."

Grace Beal - Employment Programs Team Leader, Department of Industry, Science and Resources, Melbourne March 2025

"We would recommend attending STEM Women events. They provide a fantastic opportunity to showcase your company and are an excellent way to build a strong talent pipeline. We look forward to future events and the opportunity to participate again."

FINISAR, Sydney March 2025

"Very well organised event with amazing staff & atmosphere."

Lauren James - Talent Acquisition Advisor, Essential Energy, Brisbane 2025

Membership with the 

STEM Women is proud to be a member and to have met so many of you at AAGE conferences over the past 4 years. We will be back again in 2026!
